

VILLAGE OF RYE BROOK 2025 RECYCLING PROGRAM

RECYCLING PROGRAM

Westchester County law requires recycling of certain materials from the normal household garbage. If your recyclables are co-mingled with your garbage, our sanitation workers cannot pick up your garbage. Please make recycling a priority in your home. For information about what and how to recycle and dispose of items visit www.westchestergov.com/recycling or call the Recycling Help Line at 813-5425 for more info.

Review the following procedures and requirements to ready your recyclables for collection.

DO NOT mix your plastics, metals & glass with paper and cardboard. **DO** place your paper and cardboard in a separate bin from the plastics, metals & glass. **DO NOT** place any recyclables in plastic bags.

DO separate your recyclables and place paper/cardboard in a second bin separate from the plastics, metals & glass.

Make sure your recyclables are clean (no food waste)

Need a new **Blue Bin**? Available for purchase at Village Hall.

PAINT CANS & FLUORESCENT BULBS

Paint cans can be placed at curbside on Bulk Day. Paint must be dried and lids removed. Inexpensive cat litter or commercial brand paint dryers work great.

Bulbs can be recycled at Home Depot in front of the Returns Counter.

GREEN WASTE

Place **curbside** between 6:00 p.m. Tuesday and 6:00 a.m. Wednesday (see Schedule for holiday changes). Green waste must be **separated** from other municipally collected solid waste. The Village mulches collected green waste.

Lawn Debris shall be placed in biodegradable **paper bags** or placed in **open containers** separate from other yard organics. **NO PLASTIC BAGS!**

BRANCHES & TREES

Branches must be less than four (4) inches in diameter and cut into lengths of three (3) feet or less and shall be placed in an open container or tied in bundles.

NOT COLLECTED: Tree trunks, root systems, stumps, logs, debris from an entire tree removal & other large vegetation.

The Village does not collect loose branches.
Removal of trees requires a Permit.

FALL LEAVES

Leaves are collected from **October 1 to December 15**. Leaves must be placed in a tight row, a maximum of 4 feet wide, along the center of the curb line. Piles must be **free** of branches, logs, rocks, grass & other yard debris. **DO NOT place leaves in the street or block drains.**

CHRISTMAS TREES

Please place trees at the curb December 26 through January 31. **DO NOT** place trees in plastic bags. Remove all metal wire, lights and nails.
